FLORENCE OIL COOK STOVES

**Comfort,
Economy
and
Efficiency**

COMFORT—for it means a cool kitchen.
Economy—for it wastes no fuel. You burn kerosene oil only when you need it. **Efficiency**—for a Florence Oil Stove is easy and quick of operation and every bit of heat is concentrated close under the cooking.

Come in and let our salesmen show its many good points.

Band Re-organized

Last Thursday evening a large number of the local musicians met at the Commercial Club rooms and reorganized the Red Cloud Band. Mr. Danmond who recently moved here from Colorado is the director of the band and they will practice once a week. Wednesday evening before the fire works they rendered a few selections which sounded like old times, and after they have practiced a few weeks we no doubt will have one of the best bands in Southern Nebraska as they are all experienced. The following are the officers and instrumentation of the band:

Cornet—M. A. Mercer, Geo Davis.
Trombone—Hobart Blackledge, Elton Pope, Porter Hale Sec'y and Treasurer.
Baritone—Adolph Goth.
Bass—W. G. Warren.
Saxophone—Newhouse, Hassinger, Lippencott.
French Horn—Barrett, Kaley, Caldwell Committee.
Clarinet—Sherwood, Fansch.
Snare Drum—Breakey, Mercer.
Base Drum—Paul Polniok President and Business Manager.

COUNTY COMMISSIONERS HOLD SHORT SESSION

Red Cloud, Nebr. July 8, 1921.

The County Board of Commissioners met as per adjournment at 10 o'clock a. m. with all members present.

Motion made by Chaplin and seconded by Shidler that county treasurer be allowed to purchase a set of Index cases for automobile registration. Motion carried.

The official bond of Wm. Colby as Road Overseer of District No. 14 1/2 was approved.

Motion made by Chaplin and seconded by Crowell that the system of numbering Road Districts be changed, by using letter in place of fractions of numbers as they now are designated. Motion carried.

The Bond of the First National Bank of Blue Hill as a depository of county funds was approved.

A petition was filed with the Board from Glenwood Precinct asking the appointment of J. A. Denton as Justice of Peace of Glenwood township. Motion made and carried that Mr. Denton be appointed as Justice of Peace of Glenwood Precinct.

At 2 o'clock the time set for a hearing on the petition of W. R. Burwell for license to conduct a Pool and Billiard hall in the village of Inavale was taken up and discussed by Board. There being no remonstrances or objections filed against the granting of this license, a motion was made by Stumphphenhorst and seconded by Crowell that the County Clerk be instructed to issue W. R. Burwell a new license for one year, after his paying to County Treasurer the proper license fee. Motion carried.

In the matter of John Zimmerman and Lloyd E. Schultz who had paid their 1920 real estate under protest no relief was given to these parties.

As a number of parties had paid their taxes under protest with County Clerk a motion was made by Chaplin and seconded by Shidler that the County Treasurer be instructed to close up these matters by issuing the regular tax receipts and distributing the money collected from these parties to the proper funds where they belong. Motion carried.

The following claims were audited and allowed and County Clerk instructed to draw warrants on the proper funds in payment of same:

Board adjourned to meet July 18, 1921.

B. F. PERRY, County Clerk.

Wednesday evening the firemen shot off their fire works which had been purchased for the Fourth of July celebration. There were about fifteen hundred people present. Several of the different pieces were pretty but owing to the fact that the fire works had been stored in the fireman's hall they became moist as it is a concrete building, and did not fire as well as they should have done.

Are you fair to your watch?

An automobile needs frequent attention. What about your watch—a mechanism infinitely more delicate?

CARBON in the motor of a car will decrease the running efficiency of that car. And yet the carbon will accumulate. The car owner, knowing this, has his car frequently overhauled—and the carbon removed.

And yet this same man, perhaps, will allow his watch, a mechanism infinitely more delicate, to run for years without attention. All the while it is accumulating dust—for tiny dirt particles will sift in through the most tightly fitting case—and this will in time impede the timekeeping performance of the watch.

Your automobile performs occasional service, but your watch has to run continuously for a full twenty-four hours each day. Look at your watch. How long has it been since you took it to a jeweler for examination?

If your watch is to run at its highest efficiency, it should be cleaned, oiled and adjusted at least once a year—before the last particle of oil has disappeared from the bearings.

Our Service Department is well equipped to make any repairs and adjustments that may be necessary.

And while you are in, we particularly invite you to view our very complete stock of new watches dressed in attractive Wadsworth Cases.
